MEMORANDUM FOR: Chief, Regulations Control Staff

50X1

SUBJECT: Proposed Revision of (1) [] MISSION AND
 FUNCTIONS OF CIA" (2) [] "ORGANIZATION
 OF CIA"

REFERENCES: RCS memoranda dated 10 August 1956, subjects as
 above

50X1

1. The Deputy Director (Plans) non-concurs in the drafts of
 [] "MISSION AND FUNCTIONS OF CIA", and [] "ORGANI-
 ZATION OF CIA", as submitted by referenced memoranda.

2. In the interest of improvement and considering the impor-
 tance and contemplated use of [] in legislative and budget
 meetings, it would appear timely to incorporate a number of changes.
 Such suggested changes, which we believe should be made for the
 reasons indicated below, are included in a proposed redraft of
 [] which we are attaching.

a) Paragraph 1 - CREATION AND AUTHORITY

The words "CREATION AND" appear needless. Paragraph 5
 is the basic entitlement and authorization and should be
 included in the AUTHORITY paragraph.

b) Paragraph 2 - MISSION

This proposed paragraph is at variance with the Agency
 mission described in paragraph 1, []. It would appear
 that the chartered mission would have more legality and
 force, particularly if proposed [] is to be used in
 legislative and budget meetings. It is felt that the "mis-
 sion" should have the greater emphasis and be specifically
 amplified to include the details of the items listed as
 FUNCTIONS under paragraph 3 of the proposed regulation.

c) Paragraph 3 - FUNCTIONS

If the suggestion above regarding paragraph 2 is
 acceptable, this paragraph would be a restatement of the

(5)

SECRET

50X1 mission. It would seem preferable that the paragraph confine itself to functions described under [redacted], paragraphs 2b and c.

d) Paragraph 4 - ORGANIZATION

This paragraph appears appropriate but it should additionally include the information contained in paragraph 5b(1), (2), and (3), with changes as noted below.

e) Paragraph 5 - ADMINISTRATION

This paragraph title and number appear to be superfluous and confusing, the greater part of the contents seeming to pertain more to paragraph 4, ORGANIZATION. For this reason, and in view of the proposed changes affecting the text of the paragraph, they should be deleted.

Subparagraph 5a should be included in paragraph 1, AUTHORITY, as suggested above.

Subparagraph 5b(1), transferred to paragraph 4, should substitute the word "command" for "Staff" in the interest of greater exactness. The use of "staff" technically is too restrictive.

Subparagraph 5b(3) would reflect greater exactness if the words "this and other" were replaced by ". . . in accordance with established Agency policies and regulations, and. . . ."

Subparagraph 5b(4) should be deleted as not pertinent to this regulation.

50X1 Subparagraph 5c appears to be more appropriate for inclusion in [redacted] and should be deleted.

50X1 3. It is requested that the organization chart in Regulation [redacted] be amended, so far as this office is concerned, to show only two boxes, one for DDP and one for Chiefs of Stations. The designation and illustration of the DDP organization, as reflected in the proposed draft, are not consistent with security factors now being followed in connection with issuances having Agency-wide distribution.

50X1 4. In reviewing proposed [redacted] it was found that [redacted]
50X1 [redacted] are closely related and may be affected,

SECRET

SECRET

50X1 hence revision of the whole series at the same time should be considered. In any case, this office will prepare, and forward to you at an early date, an appropriate proposed revision of [redacted] reflecting pertinent changes thereto on the basis of the above qualifications.

Chief, O&M Staff (DD/I Area)

Revision Organization and Functions of the Agency.

1. As requested by your memo, 18 April 1956, above subject, this Staff has revised the text for and redesigned the organization chart.

2. The proposed text material for is more comprehensive than in the present regulation. The text has had working level coordination at the following points:

DCI - Mr. Earman, Exec. Asst.
 Inspector General -
 DD/S - Col. White - Mr. Lloyd
 General Counsel - Mr. Houston -
 Office of Security - (Exec. Officer)
 DD/P - Mr. Hulick, Exec. Officer.

The General Counsel (Mr. Houston) suggested the advisability of publishing this part of the regulation (excluding the organization chart) as an "unclassified" document in order that it could be used in legislative, budget, committee and similar group meetings. Office of Security was contacted and concurred in the idea. All other contacts agreed. OGC edited the text with this in mind.

3. The redesigned organization chart - formerly a part of will have to be published as since it will continue to be classified "Secret." It is current as to the structure of the Agency - so far as the Components choose to show internal breakdowns. The presentation has been changed as to the staff structure in DCI, DD/P and DD/S. The new chart has had working level coordination as follows:

DCI - Mr. Earman, Exec. Asst.
 Inspector General -
 DL/I - Admin. Officer
 DD/P - Mr. Hulick, Exec. Officer
 DD/S - Col. White - Mr. Lloyd -

4. The text and chart are returned to your Staff for formal coordination and publication.

18 April 1956

MEMORANDUM FOR: Chief, Management Staff

SUBJECT: Revision of Regulation [] Organization
and Functions, Central Intelligence Agency

1. Regulation [] needs revising to show current organizational structure.
2. A copy of the regulation, showing changes required in the DD/I portion of the organization chart, is attached. It is understood that recent changes in the DD/P complex will necessitate revising the DD/P portion of the chart. This Staff has not been informed of the exact nature of the DD/P changes.
3. A complete rewrite of the Agency functional statement is recommended because it does not presently contain an accurate statement of the Agency's functions. No basic changes have been made in this functional statement since it was originally written in 1951 as an introduction to the old CIA Regulation []
4. In view of the nature of the regulation, it is felt that action to revise [] should be taken by your O & M Staff.
